

Detours Around Construction on Yellow Springs St.

Because of construction, traffic can only go south on Yellow Springs St. between Pleasant and Southern. Also, you cannot access Yellow Springs from the side streets on the east.

Your GPS should detect this closure and route you around it. If it doesn't, here are some suggestions for alternative routes.

The construction primarily affects people trying to get from Melrose Acres or Hartman Rock Garden to Jefferson Street Oasis Garden or Grand Avenue Family Park. Follow the solid line to get to Jefferson Street Oasis and use the dotted line to get to Grand Avenue Park.
